Education Furniture

Contents

Welcome to David Bailey Furniture Systems' range of fitted furniture for the education sector. Our range of products have been specially designed and developed to meet the everyday needs of all types of education environments, from schools to universities, art rooms, classrooms and staff areas. Being especially robust, they are also well-suited to special needs and secure unit learning establishments.

Our education furniture range is both durable and aesthetically attractive. It offers a comprehensive variety of storage units, bookcases, worktops and sundries, together with bespoke designs. All units are available with locks and in a wide choice of colours.

We offer expert advice, short lead-times, as well as national delivery, and an installation service if required.

Established in 1982, we have built a reputation for excellent service and we are a leading manufacturer and supplier to a range of markets beyond the education sector. Our furniture has been widely specified for use in hospitals throughout the UK, health centres and surgeries, along with veterinary centres and prisons, for instance.

For more information, visit www.davidbaileyfurniture.co.uk or call us today on 01843 604896. We look forward to hearing from you.

Cabinet Specifications

All base and wall unit carcasses are of 18mm thick, rigid dowelled construction with white, melamine faced, 120gram matt, MFC (melamine-faced chipboard). All exposed edges are melamine-edged to ensure a smooth finish.

NB: Grey, beech or ash MFC carcasses are available if requested.

Back panels to base and wall units are of 12mm thick, white MFC, grooved into side panels. Sink base units have convenient, easily removable back panels fixed with cups and screws to battens.

All base and wall units include an 18mm thick MFC shelf, which can be adjusted to three positions as required. Extra shelves can, of course, be supplied if requested.

Double base units in width size 1000mm, have a centre division to facilitate the fitting of drawers; highline units feature a central muntin. All double units 1200mm wide have a centre division.

All base units are delivered complete with a 100mm moisture resistant black laminate plinth.

Base and wall unit frontage are 15mm MDF (medium density fibreboard) faced, with plastic laminate to a chosen colour from our extensive range, with 2mm pvc lipping.

All cupboard doors are hung on 170° high-quality, durable Blum metal hinges, with either 'D' or recessed handles, as requested.

Drawers are white enamel finished, Blum metabox system, ensuring a smooth operation with 12mm, white MFC base and 18mm, white MFC back.

Handles

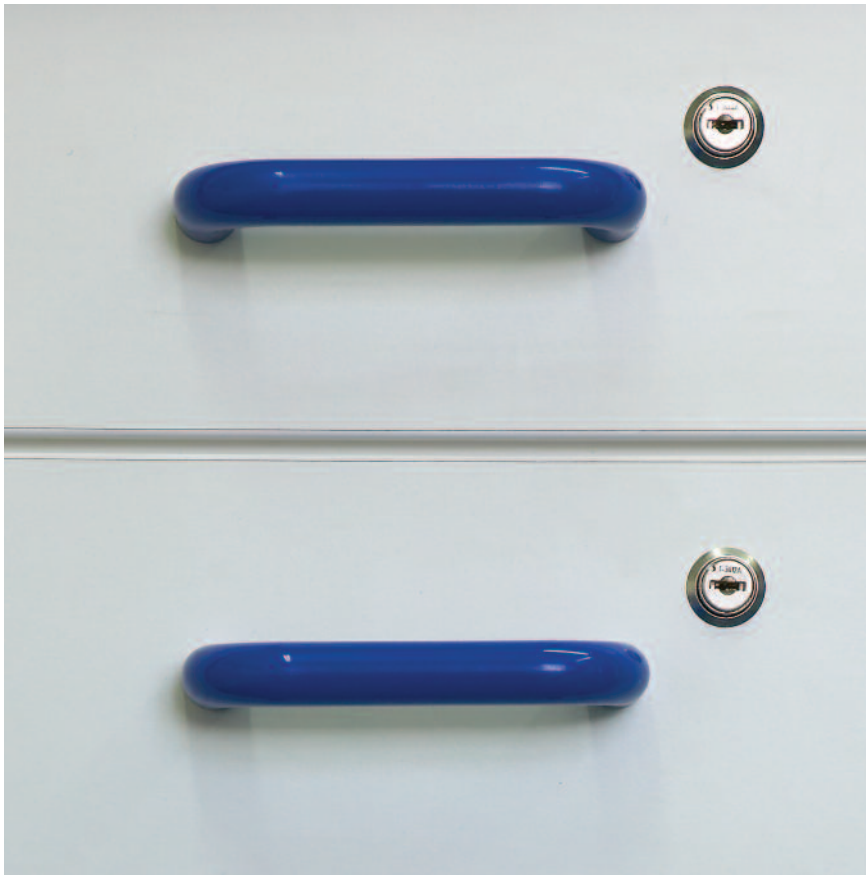

'D' HANDLES

'D' HANDLE COLOURS

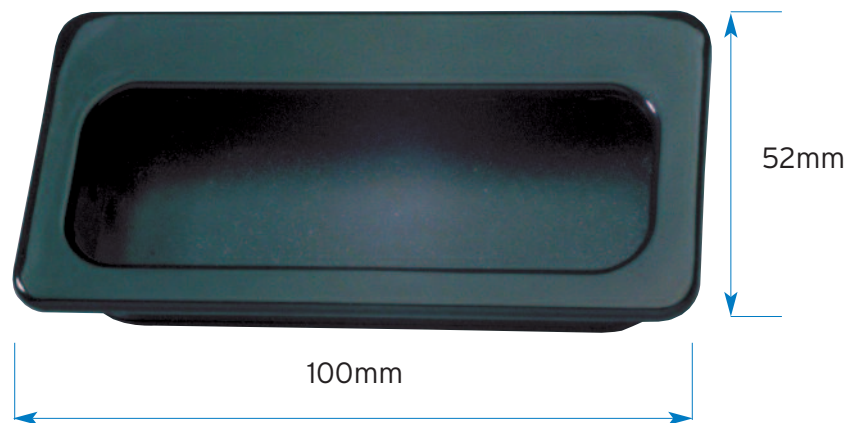

GET A GRIP ON DAVID BAILEY FURNITURE

We offer four types of 'D' handle and a recessed handle option with the Education range.

Both small and large 'D' handles are made from nylon and available in the colours shown. The polished chromium plated 'D' handle is made from die-cast steel. New in the range is the SAA 'D' handle. All 'D' handles are fixed by two countersunk screws through the back of the doors and drawers.

RECESSED HANDLES

The recessed handle, also made from nylon, is glued and screwed into the unit doors and drawers. Recessed handles are available in five colours: black, white, brown, grey and ivory.
